## Nautical Nights aboard Battleship Massachusetts

The awesome size of the ship dazzles them. They gaze at the masts where the U.S. flag and an array of signal flags flutter proudly. They marvel at the 16" guns, the 40MM mounts, the turrets and the superstructure. You see it in their faces. They've never seen a ship so big and they say to themselves, "I can't believe we'll be spending the night onboard!"
